Game at Tewksbury 10 am

## CHAMPIONSHIP TO BE DECIDED

This morning is THE GAME. The Wildcats travel to Tewksbury for their annual Thanksgiving Day affair with the Redmen of Tewksbury, and the championship rests on the outcome. If Dracut can slip by Methuen and Tewksbury should beat the Wildcats, the Middles and the Redmen will share the crown with identical 6-2 records, whereas if the Wildcats defeat the Redmen, they will win their conference title in a row with 6-1-1 slate.

In the other conference games today the Winslow North Andover team will play Andover and Billerica visits Chelmsford. A non-league game will pit Burlington 5-3 against Bedford.

The Seniors playing the last high school game for the Wildcats today include co-captain Bruce McInnis at center; co-captain Tom Coates at tackle; Mike DeGregorio at tackle; John McNevin, punter; ends Dan Balloy and Alan Heim; of-

PAGE TWELVE

**CHAMPION CHEER LEADERS:** For the Dual County region of the Pop Warner League - the Wilmington Pop Warner Cheer Leaders. They took first place in competition against eight other squads, last Saturday in Watertown. This is their third successive championship.

In front is Elena-Maria Catalano, mascot. Front row, l to r: Jay Garden, Gail Smith, Capt. Paula Kavanaugh, Janet Lawrenson, and Barbara Moulton.

Rear: Donna Mullins, Kathy Barry, Cindy Jepson, Ann-Marie Breakey, Janet Flaherty and Peggy Barry.

### 'Wilmington Bowl'

## Pop Warner Hosts Staten Island Team Saturday

Wilmington's Pop Warner Football team is to play host - courtesy of the Tewksbury-Wilmington Elks to the Pee Wees of Staten Island, in what will be the first 'Bowl' game ever played in Wilmington, Saturday noon at the High School field.

32 Staten Island youngsters are to arrive about 5 pm Friday. They will be the guests of the boys in the Wilmington team, 33 in number and will stay with their hosts for the weekend. Their parents, and their coaches will be staying at the Holiday Inn, in Tewksbury.

The first 'formal' meeting of the coaches will be at Rocco's Restaurant, at 9 pm., where there is to be a dual-committee meeting, after which there will be a light supper.

After the meeting and supper has been finished, all, Wilmington and Staten Island, including the boys and their coaches, are to be the guests of the Holiday Inn, in Tewksbury, where the manager has arranged an entertainment.

The game is scheduled for 12 noon, sharp, on Saturday. There will be no charge, but donations will be accepted, and refreshments will be sold.

The Pop Warner Cheer Leaders, who have just won their third successive championship, will be a part of the game, displaying their talents for the local team.

Between the halves the Wilmington Crusaders Drum & Bugle Corps, 1969 Mayflower Champions will put on an exhibition.

The days events will be finished with a Dinner at the Elks Hall, on South Street in Tewksbury, starting at 5 pm., for both the boys in the two teams, and their parents. It will be an Award Dinner. The

Elks are to present trophies to the players. The boys will be guests of the Elks, and the parents are expected to pay for their dinners, \$3.00 each.

## Mackenzie Proposes 'New City'

An entirely new community for Massachusetts, a large town or city, housing many thousands of persons, would be privately developed on massive tracts of land to be acquired by the Commonwealth, under a resolve filed on Nov. 20th in the Senate, by Senator Ronald C MacKenzie of Burlington.

The resolve calls for a special commission comprising two members of the Senate, three of the House, and eight persons to be appointed by the Governor, with five from the Department of Community Affairs, the Department of Commerce and Development, and Natural Resources. The remaining three would be private citizens.

The group would be empowered to make an investigation and study of a site for development of a new community in the Commonwealth, according to Senator MacKenzie and would report its findings and recommendations back to the Legislature by March 1, 1971.

'I envisage the new community as a 'start from scratch city' in which the mistakes of the past would be avoided and the improvements of today and tomorrow used to give our citizens a good social atmosphere for business as well as people, and a hopeful solution to our present over-crowded, slum-like urban centers,' the Senator said, adding, 'A brook winding through the site or a cluster of trees would be treasured as assets, to be preserved where possible. I have discussed the plan with leaders in all walks of life,

and have had nothing but the most constructive comments. Its newness and daring are quickly pushed aside when it is realized that since the new community would be completely planned before a single brick is laid, it will allow for the optimum development of the state's limited area resources, as well as holding financing costs in check' he said.

'The 'start from scratch city' has been tried with success, in Virginia and Maryland, and is now quite common in Great Britain and Sweden', the Senator said, and we in Massachusetts would have the benefit of the know-how these countries have developed in working to correct the problem of overcrowding in urban centers'.

'The development of such a new community on a site to be acquired by the Commonwealth, with the aid of federal funds which are available would be a giant step toward ending the growing tide of urban sprawl along our state arteries and provide private developers with a new area for attractive housing on attractive settings, for all classes of people. Our present urban population could well double in the next thirty years. Now is the time to plan for it - not when it is upon us,' Senator MacKenzie concluded.

## Fred Cain Gets License

Selectman Jim Miceli stood all alone, Monday night, when the question of revoking Fred Cain's license was voted.

He had moved to revoke, and he was the only Selectman who voted in favor of revoking. Selectman Boylan abstained from voting while the others voted in favor of the license.

In discussions before the vote Mr Miceli said he thought it was presumptuous of Fred Cain to invest in equipment before he had obtained an approval from the Board of Health for the site where he is constructing a car wash. He also stated that the board had found out just a month ago that the license in question was a separate one from the Sunoco station (which is next door to the pro-

posed car wash, Ed)

Boylan said he just was not able to make up his mind. Legally, he knew that the license could be revoked, but morally he questioned the revocation because of Cain's investment and previously filed plans.

Mrs Drew and Banda were very firm of voice as they voted.

In the prevote discussion Mrs Macelyn Slater spoke briefly. She said that the car was would be a traffic hazard, and that Mr Cain was 'putting the squeeze' on the board. She also made reference to Main Street as 'gasoline alley'.

Felice Vitale also spoke. He spoke so much that the chairman threatened to have him put out of

## Dr. Henry Foster Speaks

Dr. Henry Foster, DVM, president of the Charles River Breeding Laboratories of Wilmington was the principal speaker, last week, to the November meeting of the Suburban Section of the Massachusetts Association of Science Supervisors (MASS). The meeting was held at the CRLB on November 19th.

Dr. Elene W. Farello, Science Department Head of Wilmington High School had made the arrangements.

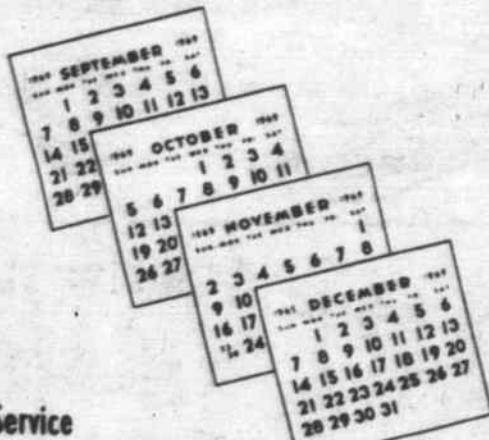

Dr. Foster gave an illustrated lecture on the breeding and rearing of laboratory animals, followed by a tour of the facilities. The CRLB annually provides over one hundred thousand mice and rats for worldwide science research.

The group is to meet at the Wayland High School next month, where the discussion is to center on team teaching in the secondary schools.

**NASA'S SILVER SNOOPY AWARD:** Was given to John Littlefield, (right) of the Dynamics Research Corporation of Concord Street, for his work on the Lunar Landing Mission of Apollo 11. The award is part of an extensive program to recognize outstanding contributions to the success of the Apollo 11 mission and the safety of the crew.

The Silver Snoopy pin and personal commendation of Astronaut Michael Collins were given to Littlefield, who is shown accepting the congratulations of DRC's president, John S. Anderegg Jr.

## Wilmington's Pop Warner Football Team

The Pop Warner Football team of Wilmington provides football for 105 boys, in three different teams.

The boys are divided into A, B and C teams according to weight. Weights for the A division is not over 115 pounds, B division not over 105 pounds, and C division not over 95 pounds.

There are twelve cheerleaders each for the A and B teams, and the A team cheerleaders have won (Saturday) their third successive championship in the Dual County league, which is comprised of eight teams. The championship match was held at the Watertown High School.

There are also 45 girls who attend all the games, and comprise the cheering section. They are named the Pep Club.

Pop Warner started six years ago in Wilmington with 22 boys and two coaches, Rico Catalano and Dicky Allard.

In 1966 they won their first Dual County championship. That year they played the Media Penna. team, which they defeated in a Bowl Game in that city by a score of 26 to 6. The coach was Connie Barry, now a fireman in the US Navy.

There was no championship in 1967 - but the team lost only one game.

In 1969 the A team again had an undefeated season and won the championship. They went to Staten Island, New York, and played there against the Staten Island Pee-Wees whom they defeated by a score of 26 to 6. Connie, by this time, was in the Navy. The team was coached by Rico Catalano, assisted by Paul Merrigan, Ken Cleary and Larry Noel.

The Staten Island people were such good hosts that the resolve was made that if possible Wilmington would host that team in 1969.

This year the Wilmington Pop

Warner team did not (alas and alack) win the championship. They had a 6 and 2 record.

The Pee-Wee team of Staten Island has a 8-1-1 record, but the two teams are playing, Saturday. It is to be a return of the courtesy that was shown last year.

Coach of the Staten Island team is W. MacAndrews. His assistant is J. MacAndrews. President of the league is Sam Rizzo. They are bringing to Wilmington a total of 32 boys, plus coaches, parents and friends.

The guests will leave for home at Sunday noon.

## Outstanding Young Man

The Wilmington Jaycees are now searching for nominees for their Outstanding Young Man of the Year award. A committee of the Jaycees will make the choice, based on professional, religious, civic and community achievements.

The nominee must be a male, resident of Wilmington, between the ages of 21 and 35.

The public is invited to submit the names of nominees for this award. Name and credentials may be submitted to Dick Allard, 658-3526 or Dick Page, 245-8498.

## COURTEMARCHE PROMOTED

Ralph F. DeLisle, superintendent of buildings and grounds at Lowell State College has announced the promotion of Fred Courtemarche of Tyngsboro Rd Nabnasset to a maintenance supervisor.

Courtemarche will include all college maintenance. DeLisle is superintendent of buildings and grounds.

## THOMAS MAGEE SERVES ON USS TICONDEROGA

Airman Apprentice Thomas V. Magee, USN, son of Mr Thomas Magee of 237 Burlington Avenue is serving on board the aircraft carrier USS Ticonderoga, now at Long Beach, California.

The Ticonderoga, the first carrier to complete a fifth tour of duty in Vietnam waters, is being converted from an attack carrier to an anti-submarine warfare carrier, at the Long Beach Naval Shipyard.

## SELECTMEN (Fr. Fr. Pg.)

the meeting, and requested that the Town Manager call the police if there was 'one more outburst'.

No Special Town Meeting  
 There will be no special Town Meeting in December.

For a while it seemed that the Selectmen might call one, for the purpose of having money transferred so the town could buy two new police cruisers.

The Selectmen, instead, after a lot of discussion, and a fifteen minute recess while they searched the law books, decided that the easiest and simplest way was to wait until January 2, when the money could be transferred on next year's taxes, and without a town meeting.

Town Manager Sterling Morris reported on the Finance Committee meeting of November 19th. All available funds in the Reserve Account had been transferred to fulfill needed funds, that night, and those accounts which can be classified as 'emergency' accounts by the State Department of Corporations and Taxation did not get money, because of their classification - that is the Selectmen can declare an emergency, and have money allocated to those accounts without a town meeting.

The decisions, however, left the question of what to do about the Police Cruisers in the air.

One cruiser, the Town Manager said was a 'total wreck' - the one in which Officer Ritchie was hit, last week.

The other cruiser, the TM declared could not last until it was scheduled to be replaced, in 1970.

Morris was of the opinion that a Special Town Meeting could be called on a week's notice - and this opinion took a long time to have settled.

After much searching of the state statutes and the town by-laws, the Selectmen were satisfied that there would have to be a twenty day notice. That would mean that the Special Town Meeting could not be called until December 15th.

That was almost as bad as waiting until the New Year, in the eyes of the board.

Added to this was an uncertainty as to what the Finance Committee would do.

If a Special Town Meeting were called, and the Finance Committee disapproved of the transfer of funds from other accounts, as the TM wanted to do, then, according to law, no transfer could be made.

It was pointed out by Boylen that there are provisions for transferring funds, by written consent

of the Finance Committee and the Board of Selectmen. He pointed it out several times, but perhaps the other Selectmen did not understand him.

Anyway - there will be no Special Town Meeting, and on January 2 money can be transferred for new Police Cruisers.

Chief Paul J Lynch was not only an interested spectator, he was also a participant in the discussions.

When Selectman MacDonald said that they did not want to call a Special Meeting just to transfer money for cruisers Lynch told the Board that 'if it had done its job' on March third of last year there would not be the need now.

He had records with him. He showed how he had asked 'begged' was his word, for four vehicles for the Police Department, and had got only two. He also had the records for the year before.

The new cruisers, to arrive as soon as possible after January 2, will also have new police radios, the board decided.

### Janitor's Pay

Overtime paid to the town's janitor's came in for discussion, as the result of a letter from the secretary of the Wilmington Council of Churches. The Town Manager said he was very happy to see the letter. He is now engaged in discussions over the union agreement for next year, and the letter will give him some 'substantiating' documentation. He wished, he said, that he had more.

There had been, he said, a lot of 'hearsay evidence' as to costs of hiring, for instance, the high school gym. People were telling him that the costs were prohibitive but no one ever offered him evidence.

Selectman Boylan said he had had complaints that the custodial service was as high as \$60 for four hours, in the high school. There had to be, he understood, one custodian for each 100 people (and in addition a special policeman). Miceli said that perhaps the town should absorb part of the cost.

Rod Laughton of the Finance Committee stood up to say that when the Planning Board had had a meeting in the Public Library for the purpose of acquainting the Board of Selectmen, Finance Committee, etc., with the plans for the 701 Program the bill had been \$28. He did not feel it was right.

### Sunday Opening

A request from a store in the Wilmington Plaza to be allowed to keep its store open on a Sunday so that store employees and their families could do their Christmas shopping was denied.

The Chief of Police told the Selectmen that in the past a similar

request, from another store in the plaza had been granted, and that the store was opened not only to its employees, but to the employees of other stores in the chain (in other cities). The parking lot, Lynch said, was as crowded as on any week day.

Boylan said that in all of the stores in Boston the employees did their shopping during the regular hours. Mrs Ruth Kitchener, in the audience, told the board that the Sears stores, nationwide, are now engaging in Sunday sales.

### Radio Tower

Chairman Banda spoke to say that when the discussion of taxi rates comes up, as it will sometime in the future, he hopes that the Wilmington cabs would have a provision in their rates for the senior citizens, much the same as in the MBTA rates. He was talking with a lady representing Antons' cabs.

Banda requested that she start talks with the other taxi companies, to this result.

During the discussion both Boylen and Mrs Drew had complaints about a new radio tower, which has been erected by a taxi company. The TM said he had already told the Building Inspector to have the tower taken down, within 24 hours, or have the taxi company face the prospect of revocation of license. Banda put the item onto the agenda for discussion, in the next session of the Board of Selectmen.

### Licenses

There was no discussion, on the renewal of liquor licenses. All were renewed, quickly.

Some outstanding licenses for gas tanks were revoked, without the need for a public hearing. The licenses were, in fact, for LP and or City Gas, tanks which had been installed and since removed. There were three such licenses.

The board decided to have hearings on eight gasoline licenses, not in use. They are to be advertised for a public hearing.

### New Business

Mrs Drew was provoked, at the beginning of the 'new business' session. A meeting had been called she said, and she wasn't notified. She wanted it known that she was just as much a Selectman as any one else.

Chairman Banda, not looking for an argument, said he hadn't called any meeting. Whether or not he knew of one that might have been held wasn't clear.

Banda reminded the board that there would be a hearing at the County Commissioners on December 9th on the new Nichols Street bridge, relative to the approaches to the driveways of homes nearby.

Mrs. Drew reported receiving several complaints about taxicabs travelling at a fast rate of speed on Cedar Street.

Miceli spoke of a boy being injured, on Woburn Street, near Eames Street, last Friday. The boy had been riding a bicycle. Miceli wanted the police to keep a check on the area for the next few days.

He also wanted a progress re-

port on the Skating Rink Committee. Morris told him that he knew that they were exploring for sites. McDonald requested that a new traffic sign be put up, near St. Thomas church. The old one, he said, was badly marked.

Boyle said that people on Burt Road were having interference with their TV reception, because of the new radio tower.

The Board went into an execu-

tive session, to discuss the Library for about fifteen minutes.

ELECTED TO ASSESSOR'S EXECUTIVE COMMITTEE

Anthony Krzeminski, Principal Assessor for the Town of Wilmington, has been elected to the Executive Committee of the Middlesex County Assessor's Association.

IT'S IN THE FINANCE COMMITTEE HANDBOOK: Selectman George Boylen, a former Chairman of the Finance Committee, aided by another past chairman, Bruce MacDonald, searches for the law he is certain governs the calling of Town Meetings, during a recess of the Selectmen's meeting, Monday. Chief of Police Paul Lynch, at right, and Finance Committeeman Rod Laughton, at left, have just been telling Boylen what they think of it all.

### Lose 10 Lbs. In 10 Days On New Grapefruit Diet

This is the revolutionary new grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada. Word of its success has spread like wildfire, because this is the one diet that really seems to work for most overweight people. A well known Toronto columnist recently praised it to the skies. He reported losing 20 pounds quickly and easily long after he despaired of ever getting down to his wartime weight of 165 pounds. All this without cutting out the occasional beer or rye. If it is followed exactly the average overweight person should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. There after you will lose one pound a day until the 10th day. Then you will lose 1 1/2 pounds every two days until you get down to your proper weight. Best of all there should be no hunger pangs.

Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly 'forbidden'. Such as big steaks trimmed with fat, Southern fried chicken, rich gravies, mayonnaise, lobsters swimming in butter, bacon, fats, sausages and scrambled eggs. You can eat until you are full, until you can't possibly eat any more. And still you should lose 10 pounds in the first 10 days, plus 1 1/2 pounds every two days thereafter until your weight is down to normal. The secret behind this new 'Quick weight loss' is not generally known. Fat, it has been theorized, does not form fat. Perhaps fat fights fat. And the grapefruit juice in this new diet might act as a catalyst (the 'trigger') to start the fat burning process. You stuff yourself on the permitted foods listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and bloat are gone you will cease to lose weight, and your weight will remain controlled. A copy of this new and startling successful diet plan can be obtained by sending \$3 to The

## Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington or call 657-7141, and after five, 658-4865. If I'm not there, then I'll call you!

Hello, there....Well, now, you weren't planning on having pot luck for Thanksgiving? Well, you are going to get that today, so here goes!

Plans are underway for a Christmas Penny Sale at St Dorothy's Hall on December 5th at 8 o'clock in the evening. There will be many nice gifts for the holidays. The public is invited and there will be refreshments for all of you... and the way the industrious gals in this town are going at it this Christmas...you can do most all of your shopping at these Bazaars and Fairs, and have lots of fun to boot!

During the past few months a group of Senior Citizens have been very busy getting information as to how to form a club. They will be ready by the first of the year, they tell this Chick, so we'll have who, what, when, where, and why later on...Watch for it!

Don't forget that Physical Fitness Program there gals...It'll start on Dec-4th at the high school gym at 7 pm and continue for 12 weeks...Should be able to make the waistline into that last year's holiday dress with Beety Landrigan leading those bending and stretching exercises...and if your budget is like this gal's, you're going to have to get into last years!

Those Kiwanis boys had a Board of Directors meeting on the 20th and a special election on the 24th. They give us the word that the Speech Clinic on Nov 12, 13, and 14 was a success and they want to publicly thank Win and Florence Polsey for all their hard work and all of the Kiwanis wives that helped Florence with the Clinic.

On Dec 13th and Dec 20th, Ken Wilson will be at the organ and will give his Christmas at the Hammond Castle. Call 283-2080 for information.

Pot Luck Supper on December 10 at the Forest St Congo and all of you are invited. There will be Fair Table and Baked goods for sale. They are off to a running start and are sponsoring a Student Workshop (that's crafts) and Youth Group open to all youngsters from fourth grade up, and if the response is good will be taking trips, going skating and a lot of other goodies for kids...Call Phyl Atkins for more information on this...And this chick wants to personally thank you all for your wonderful response to her appeal for assistance for that little Church. You answered with 8 phone calls, and this Sunday, Mr Savage of Town, a retired Missionary will be speaking I hear....You're great! Didn't ever dream that I could find a preacher amongst you that was free to help. My heart is full...You're the greatest!

Johnnie Kucinski didn't make the list, so here's his address John T Kucinski, RDSN, USS Guide, MSO 447, c/o Fleet Post Office, San Francisco, Ca 96601. Don't forget John with those cards incidentally, are you whittling away at those cards on that list...You

know, think it's particularly important this year, cause of all the publicity on these marchers etc, these fellas have to have a reassurance from you that you are all behind them....Let's go Hum? That's the way!

That dapper Harold McKelvey is at home for Thanksgiving anyway. He called this morning... Now, stay well, Harold...The place isn't the same without you!

Dave Walsh has a great deal to be Thankful for this Thanksgiving...Sorry about calling you 'White' instead of Walsh last week Dave...It seems that when they let him out of traction in the middle of last week, the pain was worse, so on Saturday, the docs operated on Dave's back for a disc...When they got into his back, they found the disc all right...On further investigation they found a cyst interwoven with his spinal cord, so got a team of neurosurgeons into that operating room, and put him into shape! Wowee, now he can even wiggle his big toes we hear That's great, Dave, and weren't you lucky that you had that accident, or you might not have been here to tell the tales! Get well, now. Know it will take a long time, but glad you are on the mend ....Cards to David Walsh Room 502, Massachusetts General Hospital, Fruit St, Boston (White Building) Go, gals, and fellas, go!

Howie LeFaver will be coaching the Basketball Teams for the Town Rec Com for the kids from 10-16 on Sat afternoons. Sign up at the high school this week... That Howie is some gent...He not only gives his heart and soul to these kids, but he gets all of his friends who are athletes like the Newhouse Bros etc to coach these kids, so they are exposed to the Town's best. Hope the kids take advantage of this opportunity.... These fellas are some of the best I know, and the kids are really lucky to have their interest and support, and congratulations to the Rec Com for getting this on the road for those small fry who haven't anything to do!

Received by this Chick on lovely blue note paper 'To the person who made the remark about the cake with the dog cookies on top...The cake was made for a one year old poodle. If you don't see any fun for children to have a party for their toy poodle, you're either an old has-been, or you have just lost it...Signed The Cake Buyer at Anderson's Bakery...P.S. The cake was very good....AND NOW guess this chick is the old has-been on account of we thought it was great and thought that was the insinuation we got across... but guess that one flopped...anyway we're glad the cake was good (who thought so? the kids or the poodle?) and the kids had a good time!

Did you know that Kevin McKelvey had been appointed the business planning coordinator of

ITT Sheraton Corp? Kevin is a son to Harold - that's dapper Harold - and graduated from Merrimack College and was with the Defense Intelligence Agency in the Army as administrative specialist. He lives in Woburn with his wife Sandra. Congratulations, Kevin, and we'll just bet that Harold is popping his buttons!

Dig out those Girl Scout Uniforms, there Gals. They need whatever you've got at the Uniform Exchange. Call Evelyn Louns bury 658-4024.

Open house at Weston's Greenhouse at 9 Auburn St in Reading on Dec 7th from one to five in the afternoon. Gifts and decorations will be featured and refreshments will be served.

This gal received a lovely card from No 2 son this week at Fort Lewis. It was a Thanksgiving message with 'And all of you folks are a lot for a fella to be thankful for'. And we want that guy to know that he's no more thankful for us than we are for him...He's quite a lad, and so are the rest of the guys and dolls of the Clan! Occasionally on a particularly frustrating day when there are two sick, two getting, well, and two coming down with it and two more with prospects, this chick wonders how she can peddle a few of them, but then she can't decide which ones to get rid of, since they all have different attributes, so she relaxes and accepts the fact that she's stuck with em, and they're stuck with this kook for a Ma. We wouldn't change a one!

Have a HAPPY THANKSGIVING There'll be about 30 attached to or used with the Clan on that Thanksgiving Day, and we are grateful to that Man Upstairs for them ALL!

### Art Exhibit at Library

The faculty of the Wilmington Schools Art Department is presenting an exhibit on Sunday, Dec 7th from two to five o'clock at the Wilmington Memorial Library. Oils, watercolors, mixed media collages, acrylics, lithographs etchings, and wood prints will present the opportunity for the townspeople to see the personal accomplishments of the instructors in art education in the schools.

The exhibition will be displayed Monday through Friday between the hours of three and five in the Library. All are cordially invited.

Participants are: Ruth Anderson, Director, Joyce Adam, June Kulisch, Carol Kuzminski, Penelope McGarry, Carol Smith, and Frederick G Stewart.

### RICHARD AYER SERVES ON THE USS ALBANY

Fireman Richard A Ayer, USN, son of Mr and Mrs Alfred K Ayer of 193 Wildwood Street, and husband of the former Miss Corinne L. McCue of 164 Burlington Avenue is serving on the guided missile cruiser USS Albany, now at Guantanamo Bay, Cuba.

The Albany recently participated in shakedown exercises involving all areas of damage control, ship control, engineering casualty control, and weapons operation. The drills simulated actual combat and accident situations, including nuclear warfare, fire and collision drills, as well as man overboard and abandon ship drills.

The Albany is one of the world's most sophisticated warships. She mounts Talos and Tartar anti-aircraft guided missiles, and ASROC, a rocket-thrown homing torpedo. In addition her other weapons include conventionally launched homing torpedoes, and two five-inch 38 caliber gun mounts

**SLAVE!** Miss Elaine Burpee, of Grove Avenue, a high school junior, and a member of the High School Majorettes, shown after her services had been bought, for \$2, (two hours) at the Junior Class Slave Auction, Saturday. Not many adults were present - only ten juniors were auctioned off as slaves. Elaine's boss was her neice, who enjoyed bossing the big girl around

## CHRISTMAS CLUBS ARE LIKE MAGIC CARPETS!

### Flag Football Playoffs

His name is Mark Cobb. He had scored 6 points all season long, and wasn't one of the key men that the Mad Dogs had to

But when the final gun had sounded, it was Mark Cobb who led the way. He scored on a punt return in the first half to give the Chargers a 6-0 lead at intermission. He scored on a long end run to up the count to 12-0 early in the second half. Then, after Dave Rounds, Brian Callahan & Co picked themselves up and tied the score at 12-12, it was Mark Cobb again. In sudden death overtime, he swept left end, cut back across the field and knocked the mighty Mad Dogs out of the playoffs. The final score was Chargers 18, Mad Dogs 12.

Dave Rounds scored the 12 Mad Dogs points, as he, Brian Callahan, Larry McGrath, Bob Lopez, Ed Leary, Ned Welch, and John Fahey played their hearts out, but the Chargers weren't to be denied. Maybe the Mad Dogs were looking ahead. We'll never know. They were well coached all season by 'Big Mike' Sevrin, Ray Hillier and Gary Arbing, and their efforts resulted in an undefeated season until Mark Cobb came into the picture.

In the second semi-final, the Hackers won the right to meet the Chargers by outlasting the Wildcats 21-12. It was on the strong right arm of Chris Rounds that carried the Hackers to victory. He threw four more touchdown passes, two to Dave Maloney and two to Rich Zwahlen. Rich also added an extra point and Tom Stewart put the frosting on the cake with a scrambling touchdown late in the game.

For the Wildcats, it was Mike Tower, who else who scored all 12 points and played another great game. The Hackers set their defenses to stop Mike, as most teams do, and he still does all the damage. All the Wildcats played inspired football, a tribute to themselves and their young

coaches Steve and Tommy Tower who did a great job all season long. The game, however, was decided in the pass blocking afforded the Hacker quarterback by his halfbacks. He had all day to throw and the final score was evidence of that fact.

This Saturday is the big one. The Hackers vs the Chargers for all the marbles. Game time is 1:00 pm. Why not come down and cheer the boys on? It promises to be an exciting game.

### CHAMPIONSHIP GAME (Fr. Front Page)

tensive guard Ken Cleary and defensive back Mark Drugan.

Entering the big game junior fullback Mike Esposito leads the team in scoring with 103 points. Esposito has 14 TD's and 19 of 23 placements to rank as one of the top scorers in the state. Junior halfbacks Dick Gillis, 7 touchdowns for 42 points and Rick Smallidge 3 TD's and 2 point conversion for 20 points trail the team leader. Other scorers have been Ballou (3 TD's), Jepson (1 TD), Helm (1 TD), Gustus (1 TD), and Tilsley (2 pt conversion).

Junior quarterback Bill Gustus is tied for the conference lead in touchdown passes with six. He is tied with the Burlington QB and Red Devils have finished their conference play, so Bill can be the leader provided he is able to connect against the Redmen.

In pass receptions, Esposito has 12 for 213 yards, Ballou 9 for 185 yards and Gillis has 7 for 89 yards. Gustus has completed 31 of 65 attempts for 592 yards with 6 interceptions for a 47% average.

Esposito has gained 818 yards in 145 attempts for a 6.1 average while Gillis has averaged 5.3 pr game with 504 yards in 94 carries and Smallidge is 146 for 43 carries with a 3.4 average. Gillis has run very well in the last three games, as the opposition has keyed its defenses on

## Esposito.

THE GAME is rated a toss-up as past performances against common opponents are thrown out the window in this traditional affair. A record breaking crowd is expected for the 10 am kickoff at the old high school field in Tewksbury. If the weather is good and the field dry, this could be a very explosive offensive game. The Redmen will be paced by senior halfbacks Joe Del Grasso and Mark Manley and their outstanding kicker Tim Bolduc.

### CONFERENCE STANDINGS

WILMINGTON	5-1-1

Registration is limited. For added information and to register call North Suburban YMCA Woburn 935-3270

## Beginners Skating for Boys

For Boys from the first to the sixth grades, there will be Beginners ice skating, and Beginners Hockey held at the Phillips Academy Rink in Andover on Sundays from 3:45 pm to 4:45 pm

by Roger

Stairs can be hazardous or out of the home.

Today cement finishers are thoughtful enough to make a rough surface on treads of exterior concrete steps. But for those of you who might have some old, slippery steps around, here's a suggestion.

Many hardware stores have thin sheets of abrasive material which can be cemented to stair treads. This material makes a clinging contact with shoes and practically eliminates slipping.

Strips of emery cloth and moisture-resisting glue can also be used. When the homeowner wants to add a decorative effect, clean sharp sand can be added to the paint or enamel.

Homeowners add value to your home with decorative paneling from A.B. SWEZEY, INC., 615 Main St., 658-2051. Fine selection of Weldwood Panels, Armstrong and Nu-Wood Ceilings. Free Delivery.. Hours: 8AM-5PM Daily, 8AM-9PM Fridays.

HELPFUL HINT: Railing legs and runners can be purchased in standard lengths and cut and fitted for any design.

# If you don't smoke cigarettes

State Mutual can now give you  
a healthy rate reduction on  
disability income insurance.

We were the first to offer reduced life insurance rates to people who hadn't smoked a cigarette in at least a year. And now we're offering the same deal on new Disability Income insurance... simply because we feel non-cigarette smokers are better health insurance risks, too.

So if you haven't smoked a cigarette for at least a year — pipes and cigars are permissible — let us tell you how much you can save on new Disability Income insurance with State Mutual.

# Who was Pop Warner?

This month American football celebrates its centennial year and it is good to recall some of the great players and coaches.

Next to Amos Alonzo Stagg, the great coach Glenn Scobey (Pop) Warner, for whom the Pop Warner Football League is named, had the longest continuous coaching career in American football, a total of 46 years. It was Warner

who originated the crouch start, the single and double wing back, and clipping back.

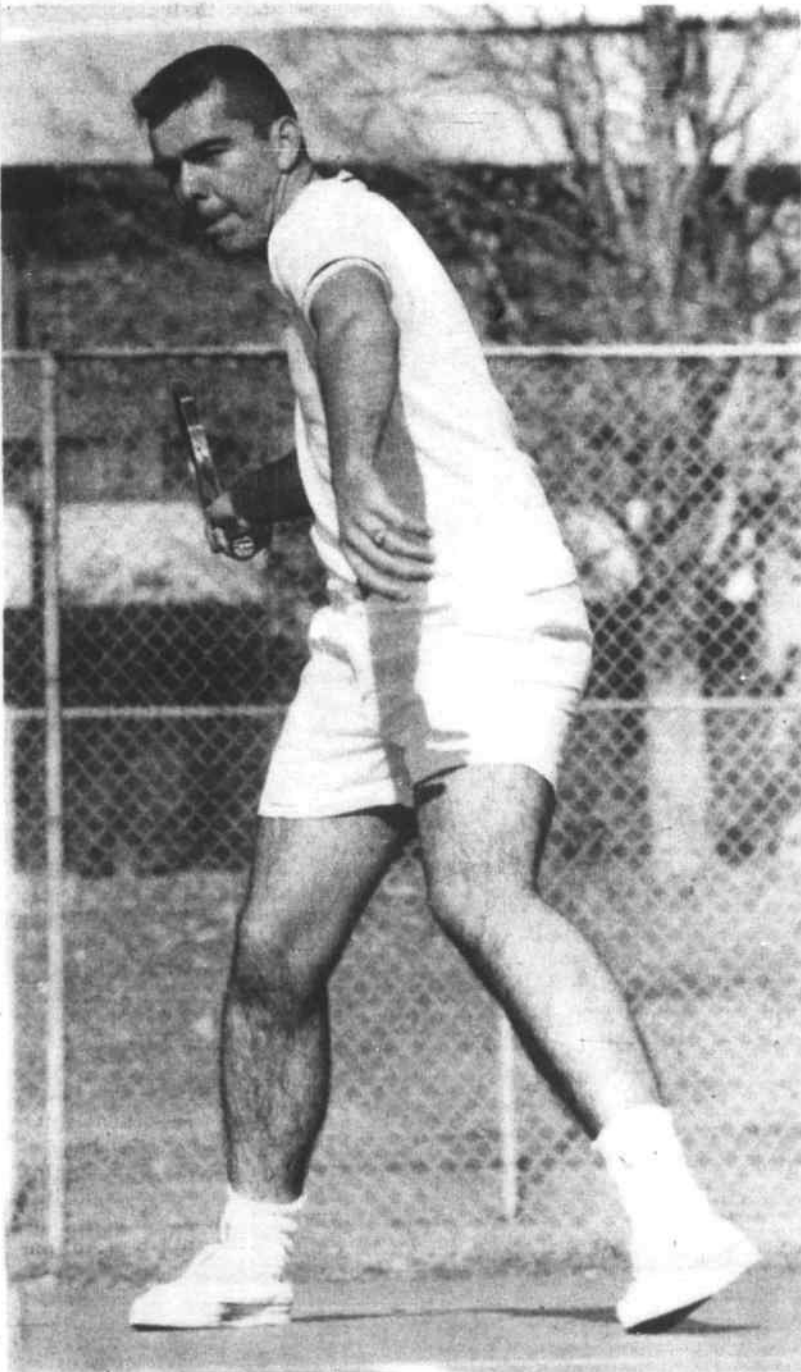

At Cornell University, Warner played guard for three years as well as being a member of the track team for two and the heavyweight boxing champion for one. He graduated with a law degree but a career in athletics appealed to Warner more.

For \$3.50 a week, one year after college, Warner coached at the University of Georgia. The next year his team went unbeaten and untied.

A national reputation was not secured until he coached at the Carlisle Indian School, Carlisle, Pa, where the great Jim Thorpe and several other All-American players turned out. During his almost 16 year stay, Warner was able to defeat most of the strong university elevens.

Three undefeated seasons and one National Championship evolved during Warner's nine year duration at the University of Pittsburgh and eight years at Stanford University produced three Rose Bowl teams.

Warner wrote one book, 'Football for Coaches and Players' before retiring in 1940. He died on September 7, 1954.

TOM O'HARE: Of Hathaway Road, was a member of the fall tennis team at Bentley College, in Waltham, this fall. A junior, he helped the Falcons to a 3-2 record.

## Town League Basketball Boys Division

**Rules and Regulations:**

All games will be governed by the Official Basketball Rules which are made jointly by Canadian groups, NCAA, National Federation, and the YMCA. The exceptions, which will be in effect in this league are:

**AGE LIMIT:** Any boy who has reached his tenth birthday by Dec 31, 1969 is eligible to play in the INTERMEDIATE DIVISION

The word 'nightmare' is Anglo-Saxon and goes back to the words 'nicht' or night and 'mara' or incubus. It means night-fiend.

The nightmare comes in various manifestations, and they are all lewd.

Throughout the Middle Ages, scientists worried about nightmares. For instance, Paracetus, the great 16th-century German physician and chemist, believed that nightmares were caused by evil spirits in the body.

Are you one to have nightmares? Well, don't worry about it. Today we don't believe in evil spirits, do we?

Laskey, 835 Main Street, Wilmington, as owner or occupant of property at 835 Main Street, Wilmington, in accordance with General Laws, Chapter 148, Sect. 13, that the Board of Selectmen, acting as the licensing authority of the Town of Wilmington, will conduct a hearing on Monday, December 8, 1969 at 8:00 p.m. at the Wilmington Town Hall concerning the revocation of an inflammable li-

## Twelve Students invited to John Hancock

Twelve high school students are among the 1000 juniors and seniors to be invited to the program for business students which is sponsored by the John Hancock Mutual Life Insurance Company.

The program will include Alan B Sostek, Boston Psychologist and chairman of the National Vocational and Guidance Association. It will also include a fashion show by Academie Moderne of Boston with a luncheon at the cafeteria.

Students invited include: Carol Irwin, Marion Whitney, Linda Hodgdon, Joyce MacIver, Janice Juergens, Beverly Hennessey, Linda Bridges, Carol Styles, Lyn Arnold, Susan Phillips, Marcia Carbone, and Catherine Worth

### For Women

## Physical Fitness

The Recreation Commission will sponsor a physical fitness program for women, commencing on Dec. 4th at 7 pm at the high school gym. It will continue for twelve weeks and consist of figure conditioning exercises, jogging, dancing, volley ball, and badminton.

The instructor is Mrs Betty Landrigan of 37 Grace Drive and the program is open to all women residents 18 or over.

## Letter

5 Moore Street  
November 20, 1969

Dear Mr Nelson:

The people of Wilmington are losing one of its citizens. I am referring to the resignation of Mr. Connors, our librarian.

As a result of his interest in his work, my children became aware of a whole new world through books. Countless times he took time from what he was doing to talk to them and to tell them of some new book which he thought they might be interested in.

I know you can't please everyone all the time, but Mr. Connors once said to me that he would feel his life had been worthwhile if he could make one person happy. Many times I have seen this happen by his kindly smile, and his warm personality. Our library will not be the same without him.

I hope other people in Wilmington will take a little time to express their thanks to a man who has worked hard to give us a beautiful new library and has made it an enjoyable place to acquire knowledge.

Sincerely  
Marilyn MacKinnon

The Town Crier agrees with the writer. In the art of introduction of good literature to the coming generation, Mr. Connors is of the best, a not unimportant factor in a world today where 'newstands' are loaded with trashy magazines designed to catch the eye of the adolescent, and younger child. Ed.

cense issued to Theresa G. Laskey for the following stated reasons: Non-use, Failure to Renew, and for other just cause.

James F. Banda, Chairman  
N27,D4 Board of Selectmen

**ORDER PROCESSOR**

This is a heads-up position in a critical area of our business. You should have excellent clerical skills and the ability to work independently. You must have a strong sense of organization. Some experience in order processing helpful.

**INVENTORY CLERK**

This position requires an alert, clear thinking person who genuinely enjoys working with figures. Experience in inventory control is desirable, and you should be able to do limited typing.

We are a young, progressive firm operating in a new plant just minutes away from routes 93 and 128. Our starting salaries are better than competitive and our fringe benefits are outstanding in the industry.

For a Convenient Interview -
